WATCHES . - See advertisement headed

City Council.—A called session of the City Council was held last night, but only sixteen members appeared in their seats, and, on motion of Mr. Weasner, an adjournment was voted.

Adams's Express Company.—We continue to be indebted to Adams's Express Company for valuable favors in the form of the latest Eastern and other papers, for which they have our daily thanks.

WHARFAGE RECHIPTS.—The wharfage receipts for the week ending October 26, was \$258 45 against \$269 20 during the corresponding week of last year, being a decrease of \$10 76. CLOARS! CLOARS! !- Those of our lady

readers who are desirous of obtaining cloaks of new and attractive styles, should visit the cloak-house of Geo. Lewis & Co. Read ad-Banner Presentation.—The Republican banner, which is the property of the ward giving the largest majority for that party, will be presented to the Tenth Ward to-

night. A large turnout is expected. RAILROAD OFFICE FOR RENT .- A Wellventilated, pleasant room, on the first floor of the Daily Press building, suitable for railroad or insurance office. Apply at the Press Counting-room, Vine-street, opposite the Custom-house.

SERIOUS ACCIDENT .- A man named Timothy O'Hara was run over by an express-wagon, on Vine-street, between Fourth and Fifth, yesterday, and saverely though not fatally injured. He resides on Broadway between Sixth and Seventh-streets.

BOARD OF CITY IMPROVEMENTS.—The Mayor being absent from the Board, yesterday, the other members refused to act, and adjourned. His Honor has not attended for some weeks, and the Board pursued the course it did with a view of compelling him to attend to his duties.

ALLEGED CASE OF SWINDLING .- A man named Henry Lewis, who was fermerly a detective policeman, was last night arrested and lodged in the Ninth-street Station-house, on a charge of swindling Mr. Hall, of the firm of Hall, Carroll & Co., out of a buggy valued at \$100. He will be examined to-day.

CENSUS OF THE CITY.—A census of the city will be taken by order of the Council, by Mr.C.S. Williams, of the Cincinnati Directory. It is important, in order that it may be full, that heads of families furnish all necessary information in regard to ages of the differ-ent members, and such other matters as may be required to be known.

MORE BURGLARIES .- The house of Martz, south-west corner of Eighth and John-streets, was entered by burglars, night before last, and some valuable clothing and other articles abstracted.

The house of Captain Rogers, on Ninth-street, below Mound, was likewise entered on the same night and robbed of \$300 in

Another Railroad Accident.—The passenger train for St. Louis, on the Ohio and Mississippi Railroad, was thrown entirely off the track, near Delhi, ten miles from this city, early yesterday morning. The accident was occasioned by running over a herd of cows that were on the track. About fifty feet of the rail was thrown out of line, which was soon repaired. No person was injured.

PHOENIX INSURANCE COMPANY .- By refernce to another column, our readers will perceive a very flattering notice of the Pho-nix Insurance Company. According to the conditions of insurance policies claimants have to make their own proofs, and claims have to make their own proofs, and claims are not due until sixty days after such proofs are received and accepted by the company. The Phonix, however, in a recent fire at Fort Smith, Ark., took advantage of the sixty days, dissounted their time, and paid the claims as soon as the losses were ascertained.

The Railhoad Winter Campaign.—A Convention of Railroad Presidents and Superintendents held a session at the Burnet House, in this city, yesterday, to arrange the time-table and fare for the winter campaign. The Convention closed their labors with a supper, which was served up in the usual excellent style of the Burnet House, under the influence of which a general interchange of good feeling and faith in the future of American railroads, took place. After a kind of general class-meeting of railroad experience, Johnson, of the Burnet, road experience, Johnson, of the Burnet, was called out, and responded directly to the point. At a late hour the Convention broke up, the members apparently on the best terms with each other and the rest of mankind.

The Arrest of Charles Morrow and Andrew Barr.—The Other Side.—On Thursday we published an account of the arrest of Charles Morrow and Andrew Barr, in this city, and their delivery to the authorities of Indiana for forging a receipt for the payment of a bill of liquors, which they had previously purchased of Joseph Kahn, of this city. The account which we published was given by the arresting officer. We have city. The account which we published was given by the arresting officer. We have since heard another statement, which slightly since heard another statement, which slightly modifies the first. This is, that Morrow being young and lnexperienced, and his mother having some means, was induced by Kahn to purchase a stock of Hquors and go to South Bend, Indiana, and commence business; and that finding the liquors rather mythical and consequently a drug, or a combination of drugs, in the South Bend market, they commenced prosecution against Kahn bination of drugs, in the South Bend market, they commenced prosecution against Kahn for fraud, on which he is now under bonds. Under these circumstances an idea can be formed of the probable nature of this suit for forgery, which will relieve it of the improbability that any one should forge a receipt, and stay to utter it to the party on whom it was forged, and be sent to State Prison. That operation would be the same Prison. That operation would be the same as if one should counterfeit a bank-note, and attempt to compel the bank to redeem it.

PROBABLE INPANTICIDE—Two Babes Found Dead in the Street.—Yesterday morning, about six o'clock, two imperfect infants were found lying on the pavement on Sixth-street, opposite the Convent of Notre Dame, which judging from appearances, were not more than five or six hours old. Immediately after the bodies were discovered they were removed to the office of Dr. Alexander and Coroner Carey called in, and an inquest partially held. Upon examination it was found that the lungs had never inhaled any atmosphere; that the children had been still-born.

that the lungs had never inhaled any atmosphere; that the children had been still-born. No visible marks of violence were found upon them, and nothing was positively ascertained with regard to the cause of premature parturition; but there is little doubt that it was produced by artificial means.

The infants were evidently twins and were both smales. A portion of a check band, which was exactly like the one around the children, was found in the convent yard and produced at the inquest. This was no doubt done with a view of fastening suspicion on the inmates of that institution and shielding the real perpetrators of the crime.

The Coroner's Jury adjourned without coming to any conclusion, and will complete the investigation on Monday next, commercing at ten o'clock.

AMUSEMENTS

PIKE'S OPERA-HOUSE,-Pike's Opera-house was crowded last night, to witness the ex-travaganza of the Invisible Prince, and the entertainment given by the Siegrist & Zan-fretta troupe. The same bill will be pre-sented to-night, and we have no doubt but that the attendance will be increased.

NATIONAL THEATER.—Colleen Bosen, which has had an unusually successful run for about two weeks, will be withdrawn after to-night. All those who desire to witness te-night. All those who desire to witness this play should embrace this, the last op-

Home Concert. — A home concert, in which Mr. Tosco, the well known violinist, Madame Stahl, the harpist, Mrs. Drew, the popular vocalist, and others, are to take part, will be given next Thursday evening at Smith & Nizon's Hall. The programme selected is a good one, and we hope the enterminment will be largely attended. GRAND OPERATIC CONCERTS.—By reference

GRAND OPERATIC CONCERTS.—By reference to our advertising columns it will be seen that the celebrated lyric artistes, Pauline Colson, Brignoli, Ferri and Susini, all of whom but the last, have appeared here in Italian opera, will give two concerts on Friday and Saturday evenings of next week, at Smith & Nixon's Hall. We are no friend of such emasculated entertainments as these register approach to furnish expecially afterness. artistes propose to furnish, especially after having heard them in the complete works of the great composers; but as we are likely to have no opera for some time, it will be pleasant to hear these favorites even in a concert, and we have no doubt they will have large audiences.

CONCERT FOR THE BENEFIT OF THE HOME OF THE FRIENDLESS.—The concert for the benefit of the Home of the Friendless, at Smith & Nixon's Hall, last night, was largely attended, every part of the room being crowded. This is highly gratifying to the benevolent projectors of the enterprise, whose labors in behalf of the unfortunate deserve the greatest credit.

The performance was entirely satisfactory to the immense auditory, and the overtures, performed on eight pianos, by some twenty-four misses, pupils of Madame Rive, were really well executed. The vocalism of the pupils, as well as that of Mesdames Rive and Kitchell, was worthy of more especial mention than our limited space affords. CONCERT FOR THE BENEFIT OF THE HOME OF

The Seventeenth Ward Railroad —
Three Propositions from Mr. Kilgour.—Mr.
Kilgour, we understand, intends to make
these three propositions to the people
of the Seventeenth Ward, and to the
City Council, and is willing to build
a street railroad to Pendleton on the
conditions prescribed in either: Ist. He
will bowlder between both tracks, and
extend the road to the new corporation line,
Council giving him the privilege of carrying
through passengers at ten centreach, and issuing tickets at the discretion of the company, he likewise agrees to make the necessary order immediately for bowldering and
putting in the culverts; provided Council
will remove the per-capita lax, so far as that
road is concerned.

2. He will bowlder one of the tracks, pay
the per-capita of the present road, and sell
three tickets for twenty-five cents.
3. Per-capits tax to remain as in the
second proposition, and the company to be
relieved of all bowldering; in consideration
of which, the rate of single through fare
shall be ten cents, and package tickets shall
be sold at the rate of seventeen for \$1.

THE NEW GARRAGE LAW .- The new garbage law will go into operation on the 1st of November, and after that date, we are assured, it will be strictly enforced.

COVINGTON NEWS.

BOUND OVER .- About two months ago, Ferdinand Hook and Lawrence Miller had a difficulty, which resulted in Hook cutting Miller with a knife, the weapon entering the back part of the jaw and completely sever-ing the cheek. The matter was compro-mised at the time, but day before yesterday Miller caused Hook to be arrested, on the Miller caused Hook to be arrested, on the charge of cutting with intent to kill. He was brought before 'Squires Howard and Eggleston, who bound him over in the sum of \$200 to answer that charge before the next Circuit Court.

CITY HALL.—At a meeting of our obliging City Fathers, held some four weeks ago, they passed a resolution requiring all polit-ical parties to obtain from them permission before using the City Hall for their meetings. At a late session the power was transferred to the Committee on Public Buildings, because, probably, they are more come-at-able than our astute body of law-givers.

POLITICAL.—Hon. Geo. Robertson will address the friends of Bell and Everett on Monday night, in the Oddfellows' Hall. On Tuesday night, Ex-Governor Moorehead will address the same party at the same place.

Accident.—A man named Anthony Hamp-sett, working in Hartman & Co.'s soap fac-tory, yesterday, fell from the second story and fractured his collar-bone. Medical at-tendance was immediately secured, and he is now in a fair way of recovery.

SPECIAL ELECTION .- On Thursday next a special election will be held in the First Ward, to elect a Councilman to fill the vacancy caused by the resignation of Judge Riley.

Town-hall March.—A match game of town-ball will be played this afternoon on the College lot, between the Union and High School Clubs.

Magnotia Hatt.—The Douglas party have rented the above-named hall in which to hold their meetings hereafter.

NEWPORT NEWS.

Johnson, Esq., will be present, and address the turnout. On Tues-day night the same speakers, together with Hon. Jno, W. Stevenson, will address our citizens at the Court-house.

Assaulten.—A man by the name of John Park was hit on the head and knocked senseles, by a stone thrown by a man by the name of Fred. Weber, yesterday. Park was seated in his wagon at the time he was struck. It appears Weber took this method to assault Park, because of an old gradge. Bell and Everett Mreting.—Hon. John J. Crittenden and W. R. Kinney will speak at Alexandria on Saturday next. Both of these gentlemen are talented speakers and will secure a large audience. We think arrangements might be made to have them speak in our city.
